

Preamble

BIBLEHUB Game Discipleship Program is a unique and exciting platform designed to bring people together, both old and young, to learn God's word and grow spiritually in a fun, friendly, and Christ-centered atmosphere. Through interaction with Christian games, interactive activities, and meaningful relationships, participants will have the opportunity to connect, build lasting friendships, and deepen their understanding of God's Word. This program and project which is the aftermath of my doctoral research recognize that biblical learning can be both enjoyable and impactful.

By combining recreation with discipleship, participants are encouraged to discover biblical truths, develop Christian character, and strengthen their faith through the various games and play activities packaged for each course. Every game, discussion, and interaction is intentionally designed to create opportunities for spiritual growth and personal development. Beyond entertainment, the course seeks to foster a sense of community where children, teenagers, youths, and adults can socialize in a healthy Christian atmosphere, encourage one another, and learn valuable life lessons from Scripture. Through Bible-based discussions, Christian media, mentorship, and fellowship, participants will be equipped to live out their faith in everyday life.

Our goal is not merely to play games but to use games as a bridge for discipleship—helping individuals encounter Christ, grow in their relationship with Him, and become faithful followers who will positively influence their families, churches, schools, workplaces, and communities for Christ. There are six (6) courses altogether for this program with a total of twenty (20) different well-packaged games for the entire courses, namely: ***Christian Foundation (4), Christian Growth (4), Christian Empowerment (3), Christian Service (3), Christian Hope (4), and Christian Reward (2)***, which are meant to run on a contact basis. A contact can be either *hourly, daily, bi-weekly, weekly, bi-monthly, or monthly*. Every user of this program is free to choose suitable contact meetings they prefer to run this program with the accompanying games. A minimum of 60 to 90 minutes is recommended for each contact.

This particular course is the **CHRISTIAN GROWTH COURSE** titled **"GROWING IN RELATIONSHIP WITH CHRIST"** (with 4 games in 4 contacts). The games for this course are: *Relationships Ludo, De-Tabernacle, Resourceful Christian, and De-race Christian games*. We invite you to join us on this exciting journey of fun, friendship, faith, and spiritual transformation.
